

~~TOP SECRET~~

18 June 1964

MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Briefing of NSA Representatives on Project [redacted]

25X1A

[redacted] of NSA signed clearance forms

25X1A

and were briefed on the technical aspects of the [redacted] Program today. Their comment on the interference analysis was "good work." I requested that they let us know if their signal environment studies showed any flaw in our work. I also said that the [redacted] study report was being transmitted to them.
